Dedication

On the wild rugged plains of the great west there once reigned in princely manner the freedom-loving Mustang. alert, spirited, each prancing step full of grace and Rhythm, in temperament sensitive, eager for action, welcoming keen competition. In 1938 by official action of the Washington Student Council the fighting Mustang became the symbol of Salina High, the personification of our school spirit. far from losing any of his vitality or pugnacious vivacity by being held in the pattern of our school life, the Mustang has only stamped his indominable spirit more vividly upon all Salina High activities— on the football field, in forensics, music, dramatics and in each classroom activity. Now when this symbol finds expression --- pasted on a student notebook, on a windshield, or stamped upon a sweater, it is instantly recognized and associated with our Salina High. Because we are proud of our school emblem and all that it represents, as we proudly record the many achievements of this school year in our 1947 Trail, we think it appropriate to dedicate the book to the SPIRIT OF THE MUSTANG. --- a salute to you, Prince of the Prairie!

Shirley Rice has been very active during her four years in Salina High School. As a freshman, junior, and senior she was a mhember of the G. R. Cabinet. She was one of 22 students elected to the National Junior Honor Society in her sophomore year and this year she served as associate editor of the Salina High News. Other organizations to which she has belonged include Junior and Senior Girls Club, Dramatics Club and a term as president of the Club Cherokee Council.

Pat Quigel began her high school years as secretary of G. R. and served on the cabinet in her junior year and president in her senior year. Clubs which Pat has enjoyed are Music Club, G. A. A., of which she was vice-president, and Junior and Senior Girls Clubs. Pat also was a member of the National Junior Honor Society. Elected to the vice presidency of her class in her junior year, Pat has been the only girl in her class to hold a class office. She was D.A.R. representative for good citizenship.

Both girls have qualities of dependable leadership, and pleasing personality. Shirley and Pat are truly representatives of the Class of '47.

SHOTS

Tom Kennedy is truly an outstanding leader of the Class of 1947. Throughout his high school years he has held numerous Hi-Y offices; those of vice president when he was a ninth grader, secretary his sophomore year, and president during the past school term. He served as a Student Council representative in his freshman and sophomore years. One of the five boys elected to the National Junior Honor Society, Tom has also made a good record scholastically.

Always active in athletics, Tom is a member of the Letterman's Club. He has earned letters in three sports: golf, football, and basketball. He is also a member of the Dramatics Club. This year Tom is advertising manager of the SHNews, having served as assistant manager last year.

All this shows why the senior class elected him as their Representative Boy.

HONOR SOCIETIES

Representing Salina High this year in the National Honor Societies are 30 seniors and 27 sophomores. Elected from the upper one-third of the senior class by a majority vote of the Washington faculty, the 30 seniors were selected on the basis of four qualifications: character. leadership, service, and scholarship. The 27 sophomores, chosen by the Lincoln faculty, represent the top ten percent of the class in scholarship.

DRAMATICS CLUB

1946-47 marks the third year of active participation of the Dramatics Club in Salina High. This club of fifty members, chosen for outstanding ability in acting or production work, form the nucleus of the dramatics department. A finely balanced dramatic program this year has included the adolescent comedy, "Sixteen in August", in December, the mystery thriller, "Tiger House", in February, and the senior play in April. National Thespian Membership in Troop 639 is the goal of the Dramatics Club members who work hard to make Salina High School dramatic presentations the professional success they want them to be.

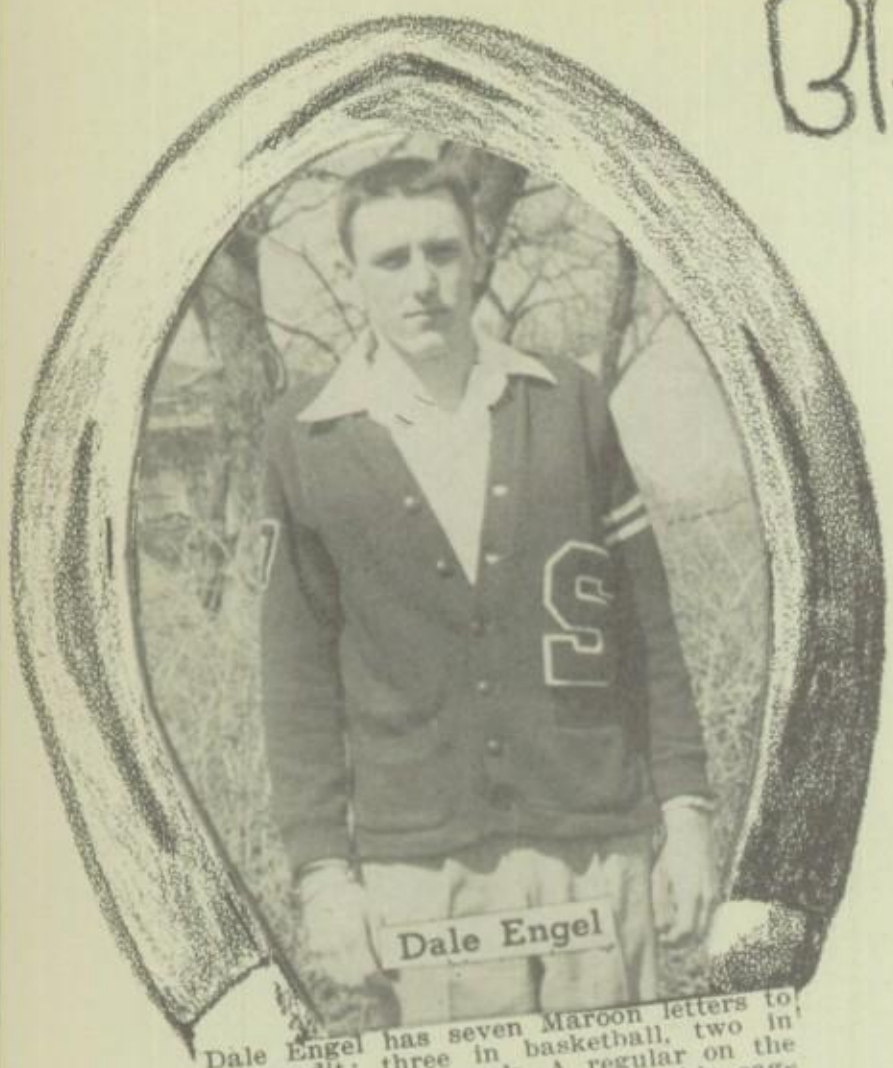
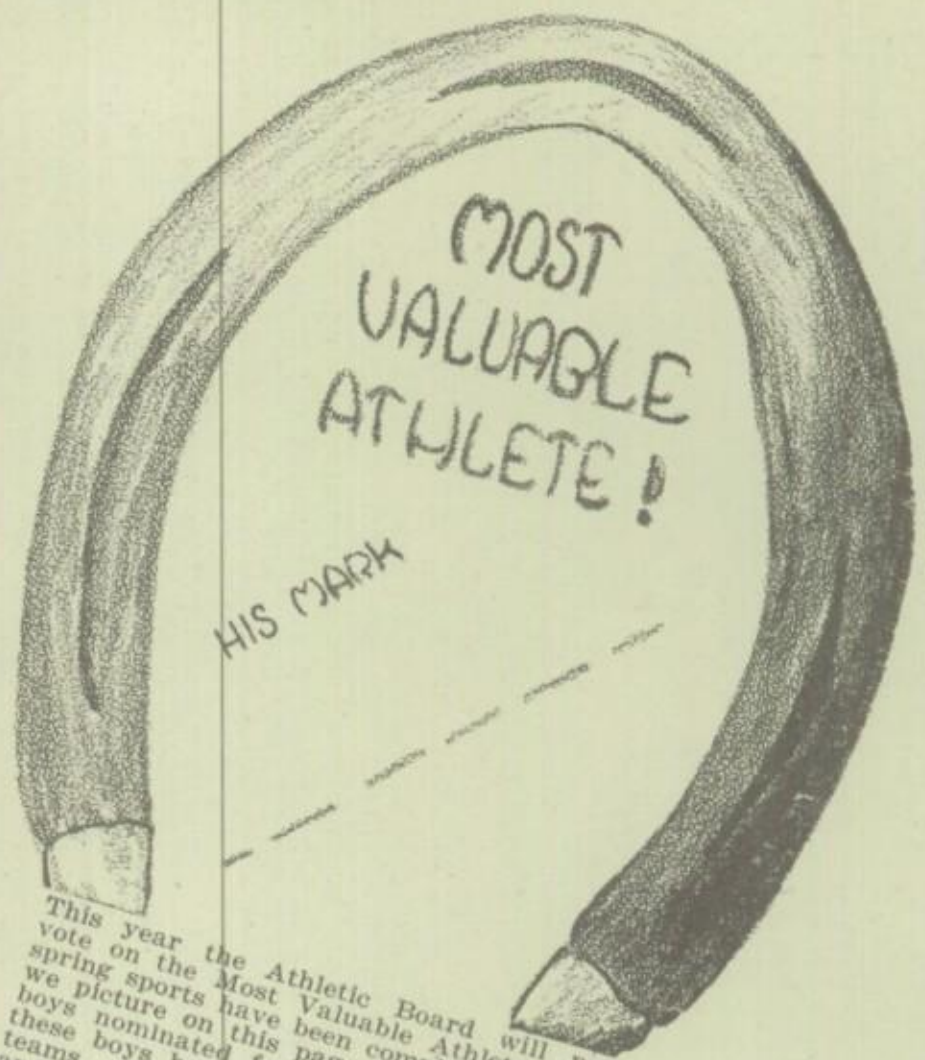
The Letterman's Club this year has sponsored athletic events from which they netted enough money to hold a banquet for the three football squads and another banquet for the basketball and wrestling squads. They instituted last fall at the close of the football season a new system of awards to place on the Salina "S". Another project planned by the club this year was for the buying of motion pictures concerning each athletic event at Salina High. Only those who have lettered either in football, basketball, wrestling, tennis, and another banquet for the basketball and golf, or track may be a member of this club.

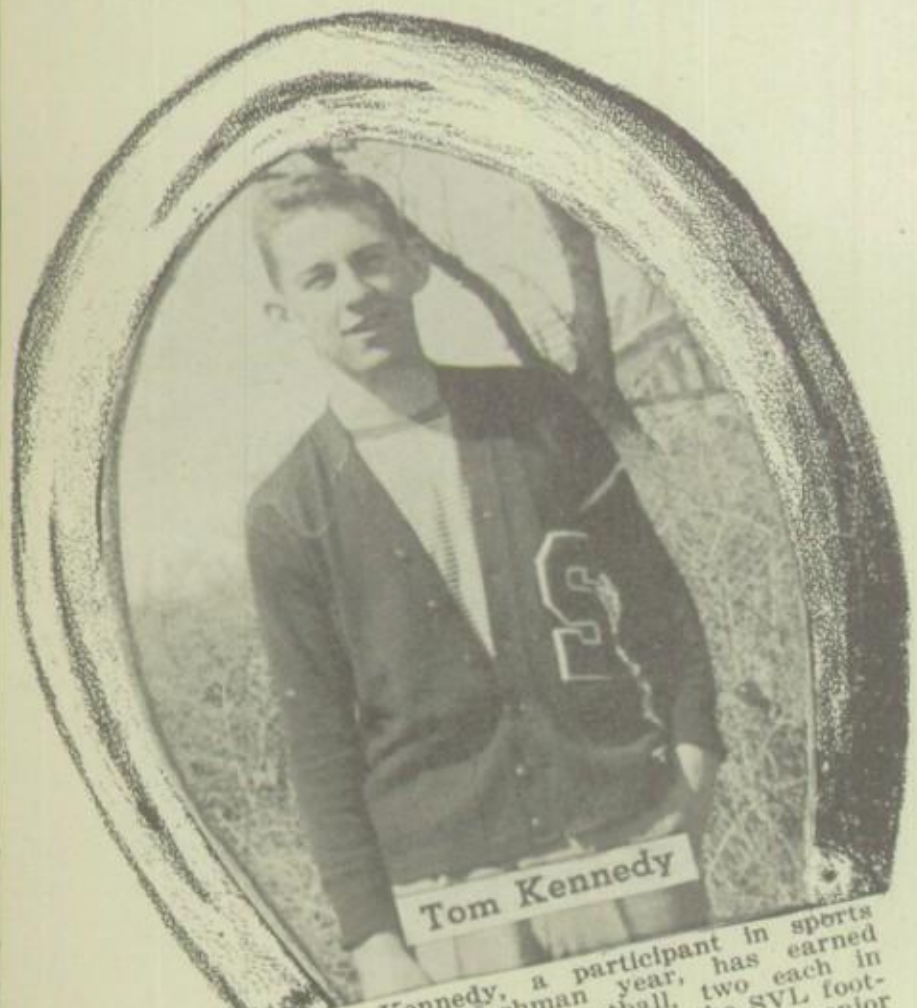
BRONC BUSTERS



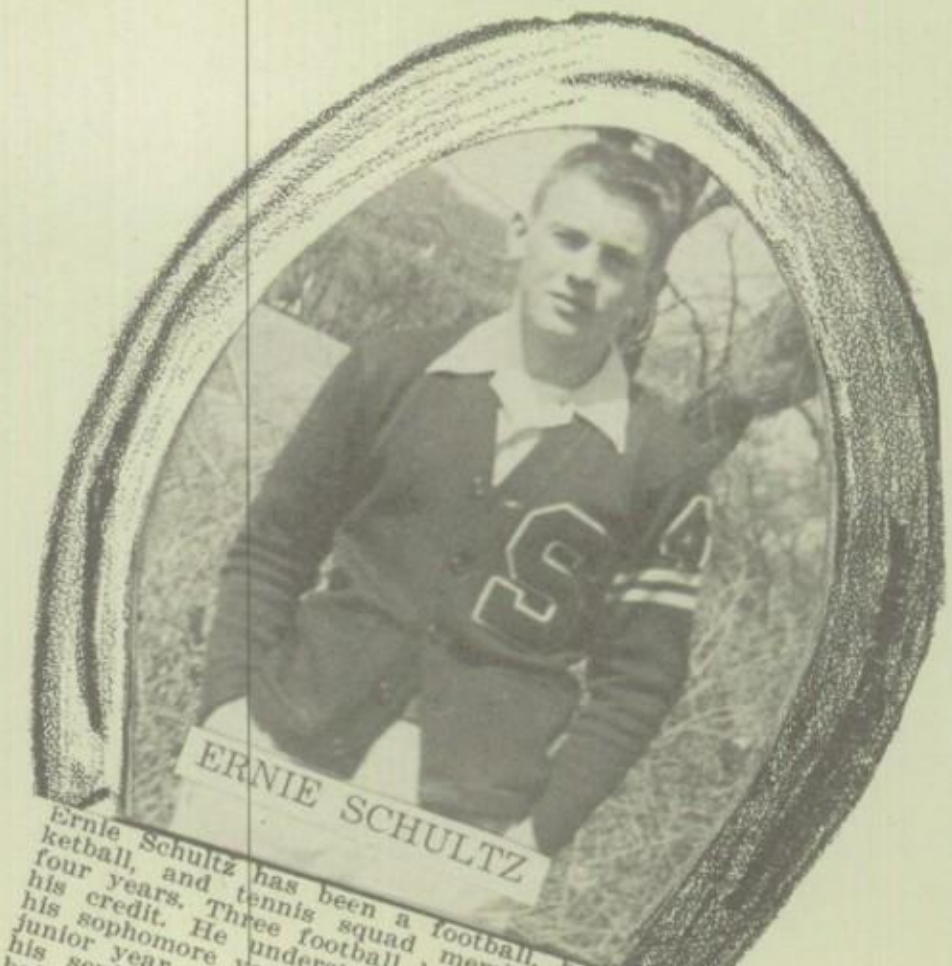
Dale Engel has seven Maroon letters to his credit: three in basketball, two in football, two in track. A regular on the 1945 CKL and State Championship cage five, Dale received Honorable Mention on the All-State tourney team. He also made the All-CKL Team both years. Dale alternated at the end starting berth in the 1945 football season. The 1946 grid season saw him as co-captain in the regular lineup. He was a high jumper in track as a freshman and sophomore, but bad knees kept him from participating his last two years.



This year the Athletic Board will not vote on the Most Valuable Athlete until spring sports have been completed. Hence we picture on this page the three senior boys nominated for this honor. Each of these boys has been an asset to Maroon teams, and it is to their ability, morale, and cooperativeness we owe our successes in sports. For your personal record you may be able to persuade "The Most Valuable Athlete" to autograph this lucky horseshoe for you.



Tom Kennedy, a participant in sports since his freshman year, has earned five letters: one football, two each in basketball and golf. He led the SVL football team at quarterback and his senior year saw him quarterbacking the varsity. In basketball, as a junior, he started four of the games. As a senior, he started ed more than half the games for the CKL and Regional Champions. Tom was one of three lettermen to start the 1947 golf season. His morale-giving power has done much for Maroon teams.



Ernie Schultz has been a football, basketball, and tennis squad member for four years. Three football letters are to his credit. He understudied at fullback his sophomore year and at halfback his junior year. A regular end position was his senior year assignment. In basketball he has lettered twice. As a sophomore he was a member of the 1945 State Championship team. His last two years, when he lettered, kept him busy as a substitute, lacking only speed for a regular berth. Ernie has won three

REMEMBER WHEN

We attended our first Jr.-Sr. Prom.

Ernie and Shirley didn't go together.

School was dismissed because the furnace didn't work!

We had more gossip in the S. H. News.

We wore mocassins instead of saddles and loafers.

Girls wore big plaid shirts.
